VIIMISTLUSPAKETT

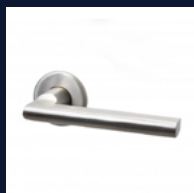

BOLD

Jõuline, elegantse parketi ja tumedates toonides plaatidega julge viimistlus. Toimib eriti hästi lihtsa vormiga, kaunistusteta sisustusega, samuti naturaalse pruunika nahkmööbli ja nahast detailidega. Esemeliseks inspiratsiooniks Jacobseni tool Swan ja Kjærholmi PK22.

Põhjamaise joone ja mustjashallide detailidega, askeetlikult lihtne viimistlus loob rahuliku ning neutraalse tausta igale sisustusideele. Soovitav sisustamist jätkata karge mono-kroomse lähenemisega. Inspireerivateks vihjeteks Bauhausi klassika ja artišokk-valgusti.

Elegantne ja peen, pehmetes heledates toonides viimistlus sobitub hästi veidi naiselikuma, prantsusepäraselt hoogsa sisustusega. Stiilselt toretseva interjööri inspiratsioonivihjeteks on messingdetailidega lühter ja Moroso Redondo diivan.
